

02. Together in the Trees

'Collective Living Experience'

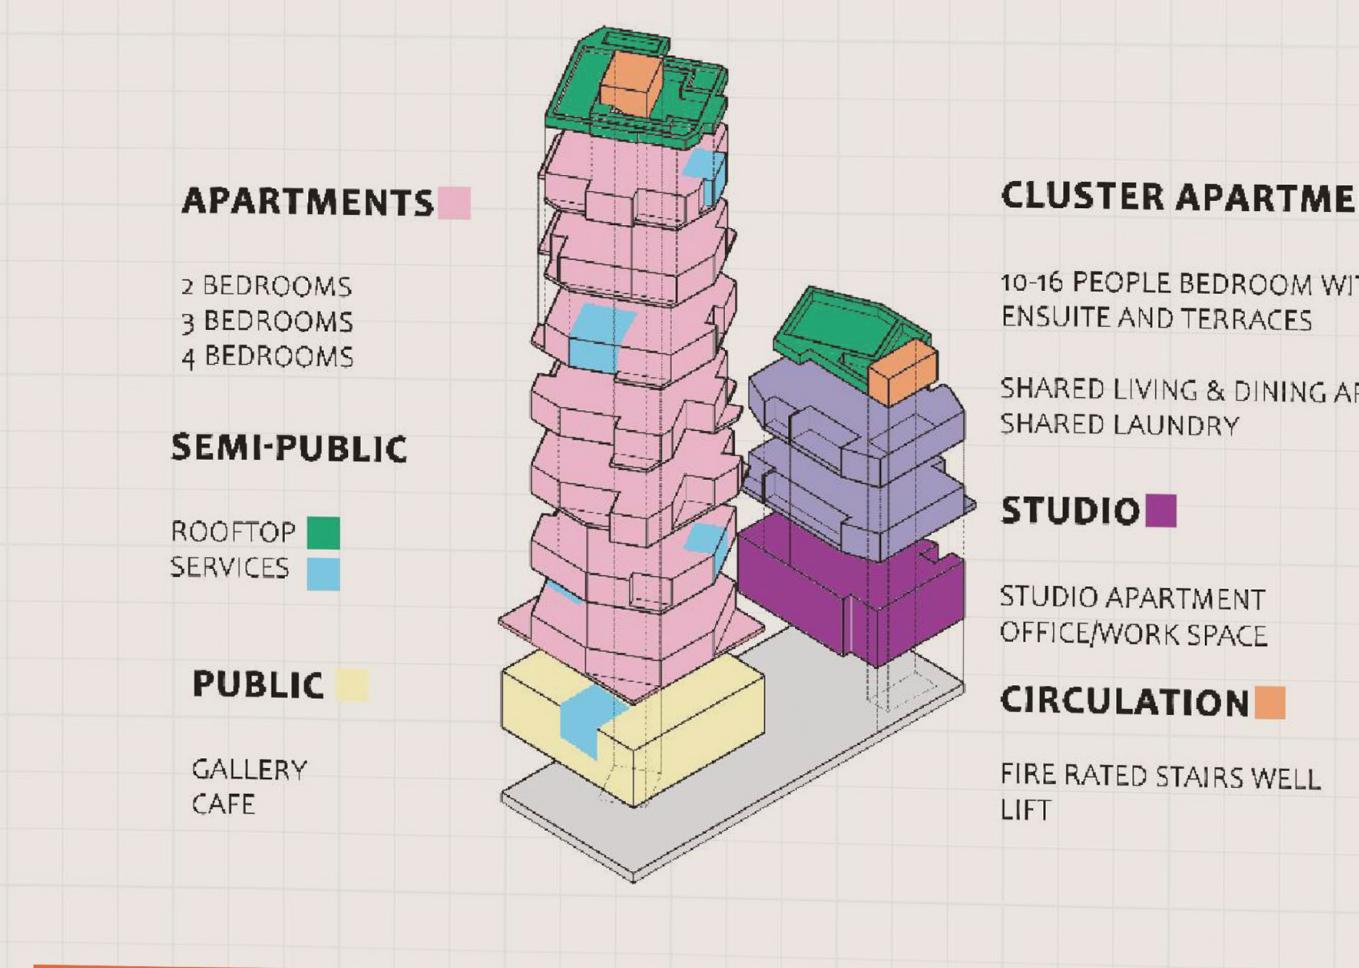

Location: 53 Wangaratta St, Cremorne VIC 3121

Site Area: Approx 700m²

Project Work: Group Work

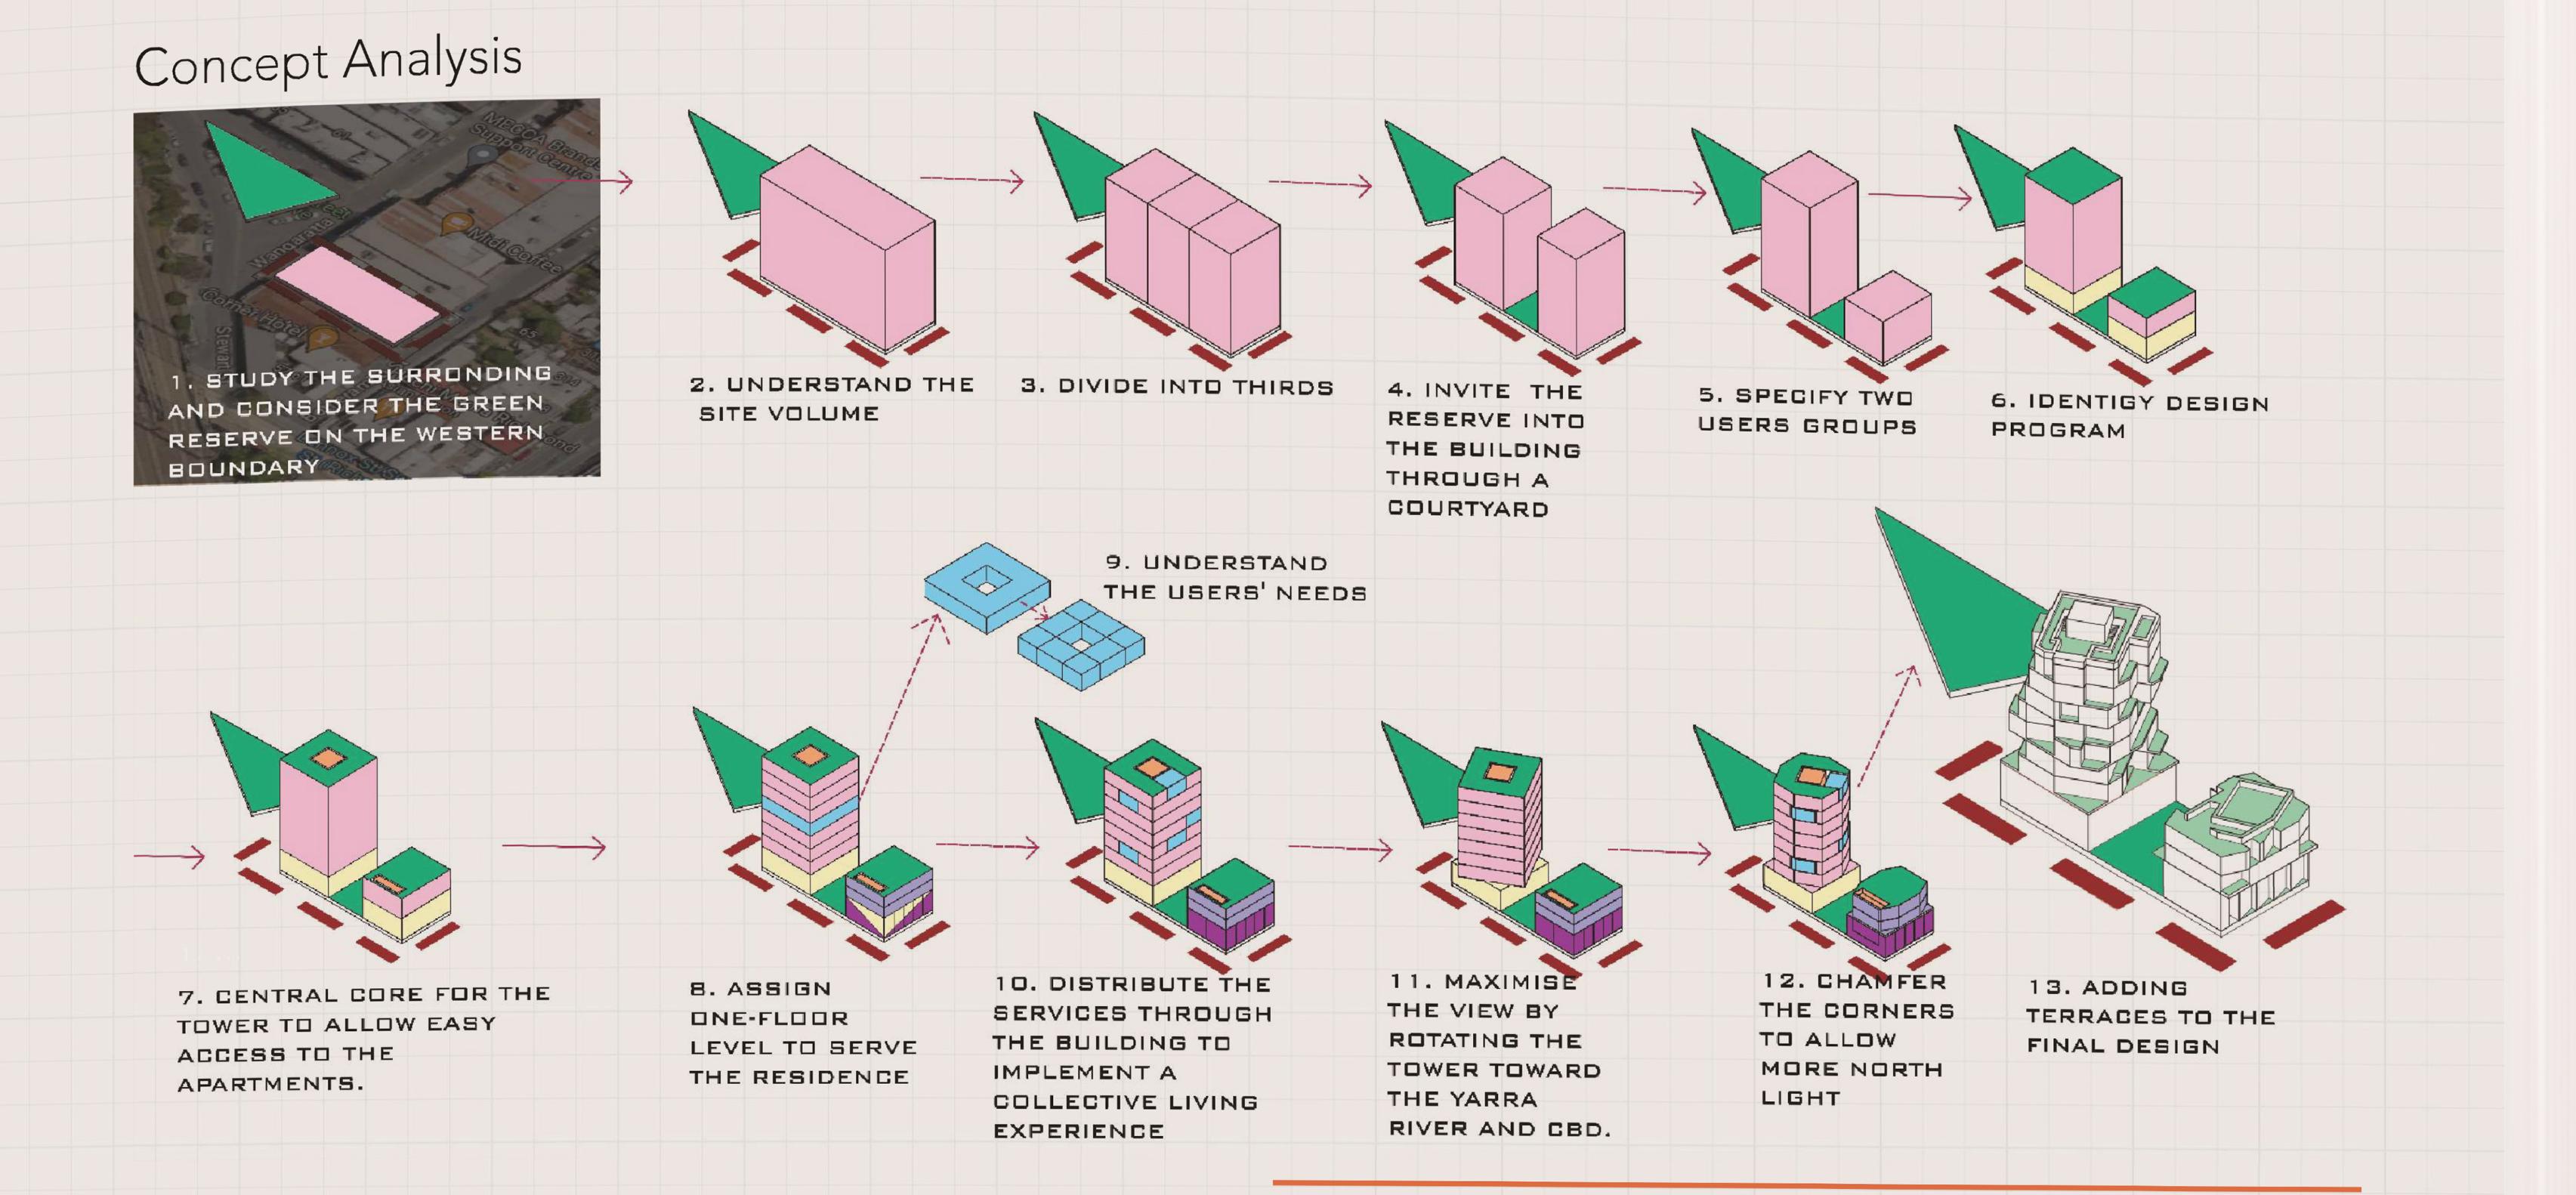

Tools used: AutoCAD, Rhino, Photoshop

"'Together in the Trees' where community thrives in Richmond's vibrant suburb. The blended apartments cater to diverse residents – from the elderly to single parents and extended families. With easy access to transport, dining, the MCG, and schools, our amenities enrich daily life, including a tranquil courtyard, art gallery, gym, communal laundry, BBQ areas, and rooftop gardens."

- 11 3 Bed Apartments
- 1 4 Bed Apartments

Our vision is for all our residents to live together in harmony, not merely side by side, but also to rely on one another for support, mutual growth, shared experiences, and enrichment in each other's lives. We achieve this by designing inviting communal spaces that residents must pass through to reach their rooms, fostering natural, spontaneous, and meaningful interactions that strengthen bonds.
